Michelle Sloan, LCSW-C
Program Director

Dear Leo Frazier,

On behalf of Avery Road Combined Care and Resources for Human Development, we would like to say thank you for your donation of computers, your technical expertise and your time. Your generosity has had an immediate impact on the lives of our clients.

Your gift was a much needed contribution for our new resource center. We will be starting basic computer and resume writing workshops very soon. The computers will assist us in this process.

Again, thank you for your generous and much needed donation.

Sincerely,

Freda Smith
Office Manager
